Dear Local/Corporate Business,

Gold Medal Gymnastics invites you to participate in one of the largest gymnastics competitions on Long Island. The event is called the Gold Medal Invitational (www.goldmedalinvitational.com) and will be held at Long Island University from January 26th – 29th, 2022.

This year we are working very closely with Long Island University to ensure this event will once again be a huge success. We expect more than 750 gymnasts to participate allowing for more than 3,000 spectators from all over the Tri-State area.

As a growing business on Long Island since 1973, our belief is that we can promote and empower other small businesses, work together to achieve shared goals and provide quality services in our local communities. Our company is island-wide and known for its excellence in our industry, leading to our website having over 300,000 views each year. Becoming a sponsor gives your business the opportunity to be directly in front of so many families and athletes, viewing your business and brand the entire weekend.

Our success over the years, growing to six locations across Long Island and over 6,000 students, comes from our desire to give every student a quality learning experience. Our fun learning environments consist of state-of-the-art gymnastics' facilities, in-ground trampolines & tumble trak, numerous training aids, in-ground foam pits, overhead spotting belts and Ninja Obstacle courses! In addition to our gymnasts traveling all over the country for the sport of gymnastics, Gold Medal has also been the official training center for the Special Olympics since 1990.

We are offering multiple advertising opportunities during our (4) day meet event weekend. Please consider sponsoring our meet by choosing from one of the options listed on the next page. We hope you're able to contribute and thank you for the consideration.
